You must firstly collect your order at the nominated collection location and visit one of our stores to sell your foreign currency cash back to Australian Dollar. This may result a loss for you as the exchange rate at the time you are selling back to us may be different from the exchange rate when you purchased the foreign currency cash from us.

Banknotes Denomination: Available denominations are NON-NEGOTIABLE and subject to availability from United Currency Exchange™ Pty Ltd and its Financial Institution banknotes supplier. Customer cannot choose or select preferred currency denominations in the Site. Denominations available in the Site are subject to change from time to time at our sole discretion without prior notice.

Service Availability: In certain situations, there is a possible risk that our On-Line Ordering Facility Service is not available for certain period of time due to dependent upon reliability of internet, computer hardware/software, and telecommunication network connection from telecommunication providers.
